IMPORTANT NOTICES FOR STUDENTS AND GRADUATES:

DURATION OF INTERNSHIPS

Beside country regulations, Politecnico di Milano can only support:

- **STUDENT** (curricular) internships of 12 months (6+6) in the same Company and to be concluded before graduation date
- **GRADUATE** (extracurricular) internships activated within 12 months from graduation and lasting 6 months max

INSURANCE COVERAGE

If your internship is activated through the Career Service of Politecnico di Milano the Politecnico will provide insurance coverage on accidents and third-party risks only in days and hours of access to Company premises indicated in the Internship Document/Contract. Specific details will be visible on the Internship Document itself or may be required via email.

PLEASE NOTE: Graduates are not provided with insurance coverage on accidents in case of internships/business trips outside Europe

MEDICAL COVERAGE

MEDICAL COVERAGE is not issued by Politecnico di Milano:

- For **EU/EEA CITIZEN leaving for EU/EEA DESTINATIONS:** normally European Health Insurance Card (TEAM for Italy) is enough if you are an intern in a EU/EEA country member; however, you are invited to check specific regulations for the European hosting Country before leaving
For **EU/EEA CITIZEN leaving for NON EU/EEA DESTINATIONS:** check with your ASL regulations for Non EU/EEA countries.
- For **NON EU/EEA CITIZENS leaving for EU/EEA DESTINATIONS:** if you have a valid stay permit for a EU/EEA country member you can get the European Health Insurance Card (TEAM for Italy) to intern in EU/EEA countries; nevertheless, please to check specific regulations for the hosting Country before leaving
A private medical coverage might be recommended.
For **NON EU/EEA CITIZENS leaving for NON EU/EEA**

DESTINATIONS: A private medical coverage is generally recommended for Non EU/EEA destinations, excepted it is your birth/residence country.

PLEASE NOTE: Each intern may decide to request a private travel insurance, covering medical assistance 24/24 and medical fee reimbursement in case of necessity by taking advantage of the agreement between Politecnico di Milano and EuropAssistance Italia Spa - Gruppo Generali; for further information on costs and procedures: studenti.politecnico.eura@gmail.com

VISA/PERMIT

It is always the hosting Company and the intern's responsibility to get informed about the proper visa/permit to ask and the procedures to do it. Politecnico di Milano won't undertake this process; however we are available, if informed on time, to support the request with sponsorship letters or similar
